

BSI Case Report Form

Surveillance unit Number _____	<div style="border: 1px solid black; width: 100%; height: 30px;"></div>
Case Type _____	
Patient Name _____	
Medical record Number: _____	

Hospital Name: _____

Sex: <input type="checkbox"/> Male <input type="checkbox"/> Female	Date of Birth (DD/MM/YYYY): ___/___/___ Age (Years): _____ <input type="checkbox"/> Age/DOB (Unknown)	Birth weight: _____grams (NICU only)
--------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------	--------------------------------------

Date of hospital admission: ___/___/___ Date of admission to surveillance unit: ___/___/___

Location prior to hospital admission: _____ Home / Community Another hospital Unknown

Linked Case ID (autogenerated) do not fill on Hard copy. **Only to be filled on software**

1. BSI Details

Type of laboratory-confirmed BSI	<input type="checkbox"/> Recognized Pathogen <input type="checkbox"/> Common Commensal (from ≥ 2 blood cultures)
Date of event (dd/mm/yyyy):	___/___/___

Fill out culture results in Section 5, Organisms and Antibiotic Susceptibility

2. Invasive Devices: Central Lines

Did the patient have a central line in place at any time on <ul style="list-style-type: none"> • The date of event or • The day before the date of event? 	<input type="checkbox"/> Yes <input type="checkbox"/> No(<i>skip to 3, Infections at Other Body Sites</i>)
If YES , was the central line in place for >2 calendar days?	<input type="checkbox"/> Yes <input type="checkbox"/> No(<i>skip to 3, Infections at Other Body Sites</i>)
What was the last date before the date of event that the patient did not has a Central Lines in place at any time during the calender day?	----/----/----- DD/MM/YYYY
How many times was the Central line changed during this period?	
If YES , type(s) of central line(s) in place (<i>check all that apply</i>)	<input type="checkbox"/> Non-tunneled short-term catheter (e.g., double or triple lumen) <input type="checkbox"/> Peripherally inserted central catheter (PICC) <input type="checkbox"/> Port-a-cath <input type="checkbox"/> Hemodialysis catheter <input type="checkbox"/> Tunneled catheter <input type="checkbox"/> Umbilical catheter

	<input type="checkbox"/> Other, specify: _____
Location(s) of central line(s) in place (check all that apply)	<input type="checkbox"/> Jugular <input type="checkbox"/> Brachial <input type="checkbox"/> Subclavian <input type="checkbox"/> Umbilical <input type="checkbox"/> Femoral <input type="checkbox"/> Other, specify: _____

3. Infections at Other Body Sites

Was a positive, matching culture obtained from another body site(s) during the Secondary BSI Attribution Period?	<input type="checkbox"/> Yes <input type="checkbox"/> No(<i>skip to 4, Outcome</i>) <input type="checkbox"/> Unknown
------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------

If YES, specify specimen(s) collected, date(s) of culture, and organism(s).	Specimen Collected	Date of Collection	Organism
	1.		
	2.		
	3.		
	4.		
	5.		

4. Outcome

Patient status at end of 14 days after DOE (Where DOE = Day 1)	<input type="checkbox"/> Still in surveillance unit <input type="checkbox"/> Transferred to other hospital <input type="checkbox"/> Transferred to other ward/unit within the hospital <input type="checkbox"/> Discharged <input type="checkbox"/> LAMA <input type="checkbox"/> Died <input type="checkbox"/> Unknown	Date of discharge, transfer, or death: ____/____/____
-------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------

Patient outcome at end of hospitalization	<input type="checkbox"/> Discharged <input type="checkbox"/> Transferred to other hospital <input type="checkbox"/> LAMA <input type="checkbox"/> Died <input type="checkbox"/> Unknown	Date of discharge, transfer, or death: ____/____/____
-------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------

5. Organisms and Antibiotic Susceptibility

Date of sample collection	Organism	Drugs
---------------------------	----------	-------

_____	<i>Staphylococcus epidermidis</i>	OX S I R N	CEFOX S I R N	METH S I R N	CLIND S I R N	DAPTO S I R N
		VANC S I R N	OTHER DRUG 1 S I R N	OTHER DRUG 2 S I R N	OTHER DRUG 3 S I R N	OTHER DRUG 4 S I R N
		OTHER DRUG 5 S I R N
